

VILLAGE OF FOREST VIEW

NEWSLETTER FALL 2022

FROM THE DESK OF THE PRESIDENT

Our beautiful summer is winding down. So happy to have a few more days in the 80's. Our Oktoberfest is right around the corner. Get your RSVP's in ASAP. Many surprises in store for our 2nd Annual Event!

We've been busy (as usual) in all departments. In this newsletter are some of the highlights. We are hard at work making needed improvements for your safety, for the beautification of the Village and for your enjoyment.

We need to update our code red information. Many new residents have moved in as well as out. Phone numbers and emails have also changed. Please stop by Village Hall and update your info if you have NOT been getting code red announcements via email, voice mail or text. There are forms in lobby for your convenience.

Again, I am urging those with pets to get them chipped. We had a resident's dog that got loose and had no ID tags or chip. If the animal is not chipped and has no ID tags, it will be sent to the humane society. They are kept for a short period of time and due to the overcrowding in these facilities, sad to say, they will be euthanized. We are aware there are still approx. 12-15 dogs in town whose owners have not come in for a dog license. This is another measure put in place for your pets' protection and possible prevention of them being turned over to a shelter. Your furry companion deserves **YOU** being a responsible pet owner.

The Lions Club is having a 5K run (well, walk for me) on Sunday 9/25/22 starting @ 8:00 am. Flyers are in Village lobby. Never too late to sign up for this worthwhile fundraiser. They will also be having a Pork Chop dinner at our Village Hall in the upstairs Art Treckler room. It will be Sunday, October 9 from 12 Noon to 3:00 pm.

We still have plenty of books for our reading enthusiasts. Come in and browse. There are also some DVD's for those of you that still have the players.

Hope to see you all Saturday, October 1st! Bingo starts at Noon in Art Treckler room.

Warm Regards,

Village President, Nancy L. Miller

Forest View had its first Honor Flight celebration welcoming long-time resident John Marbes. Several residents, family, friends and Village Trustee's had a BIG welcome home for him after his trip to Washington D.C. on August 24th. His entire front yard was decorated with lights, flags and posters. A group of us surprised him at the airport. There were about 15 of us waving flags and holding welcome home posters for John. He had no idea we were all going to be there.

111 Veterans were on the plane. Some from WWII, Korean War, but most were Vietnam Veterans. The large group in attendance for all the Vets waved flags, clapped, cheered and hugged the Veterans as they were coming down to baggage claim area, something they did not get when they returned from Nam.

We gave John a police escort home from Midway consisting of the group that was at the airport and 4 squads with flashing lights down I55. Forest View Fire Dept. was waiting on Wisconsin Ave. with fire engine and the flashing lights with men saluting. We had "Welcome Home" flags from 46th street down to his house on both sides of street.

If you are not familiar with the Honor Flight, I urge you to go on line and check it out. Honor Flight Chicago (HFC) was founded in 2008 to recognize America's senior war veterans by flying them to Washington, D.C. to tour the memorials built in their honor. The one-day, all-expense paid trip is filled with appreciation, tributes, memories and gratitude. www.honorflightchicago.org

POLICE DEPARTMENT

HAVE A SAFE & HAPPY HALLOWEEN!

Do not hesitate to contact the Police Department at **708-788-0318**, or if emergency, dial **9-1-1**, of any suspicious activity.

SNOW REMOVAL PARKING BAN

And looking a little further down the road.....Please remember that the snow removal parking ban and towing ordinance is in effect when a snow fall of 2 inches or more occurs. Cars in violation of this ban will be ticketed and towed. **NO EXCEPTIONS!!** Any questions contact Police Department at non-emergency number 708-788-0318 weekdays 9:00-5:00.

DOG OWNERSHIP

We would like to take this opportunity to remind all residents that per Village Code all dogs must be licensed ANNUALLY (in the month of June each year) with the Village Office and wear an up-to-date dog identification tag. To obtain a license, owners must show proof of a current rabies vaccination. Please remember that no more than three (3) dogs are allowed per residence. If a dog in in your future plans, registration must occur within 30 days after acquiring, maintaining or harboring new dog. Failure to abide by Village Code will result in penalty for being in violation.

PARKING PASS FOR GUESTS

If your block is Residential Parking Only, please stop in PD for a guest parking pass when you are having company.

COP ON TOP

Thank you to everyone who supported the Special Olympics at Dunkin Donuts on August 19, 2022.

POLICE DEPARTMENT

POLICE DEPARTMENT EMAIL

We have a new email address for the Forest View Police Department

records@forestview-il.org

Forest View it's that time of year again to fall back! Just a reminder that Daylight Savings Time ends at 2:00 A.M. on Sunday, November the sixth. Let's remember to turn back our clocks back one hour. Changing your clocks means changing the batteries in both your smoke and carbon monoxide detectors!

Working
**SMOKE ALARMS
SAVE LIVES**

Change Your Clock, Change Your Battery

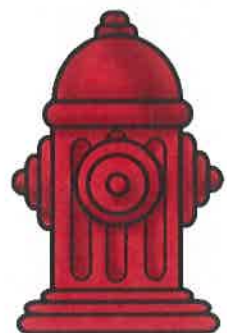

"Dedicated To Life Safety"

The Forest View Fire Department wants to make sure you have working smoke AND carbon monoxide detectors in your home.

Having working smoke and carbon monoxide detectors can save lives and we want to remind you of a few safety points.

At a minimum, we recommend having 10-year lithium batteries in your detectors. It's recommended that each floor of the house has one smoke and carbon monoxide detector.

We at the Forest View Fire Department would like to invite you to our Fire Prevent Week Open House event. Saturday, October 22nd 2022 from 2:00 P.M. to 5:00 P.M. we will have firehouse tours, safety talks, food/drinks and of course a lot of fun! Blood pressure and Blood sugar checks will also be available upon request. Finally, we will have take-home bags for the kids!

The Village of Forest View co-hosted the Celebration of Heroes with the Village of McCook and the McCook Fire Department on September 11, 2022. They gather each year to remember & renew the promise made 21 years ago to never forget the sacrifices made on September 11, 2001.

Lyons Fire Chief Gordon Nord was the MC for this special event. The Keynote Speaker was Willow Springs Police Chief Garry McCarthy. Officer Ella French's Mother rang the bell in honor of her Daughter.

PUBLIC WORKS

FALLING LEAVES

When you start raking those colorful leaves, please refrain from raking them into the street. Although Public Works runs the street sweeper every Friday, the excess leaves blown from lawns causes blocked inlet and catch basin grates. This can lead to standing water in the curb gutters and flooding.

For new residents, leaves are to be placed in paper yard waste bags or garbage cans with a "Compost Only" sticker affixed to it. "Compost Only" stickers are available at the Village Office at no charge. Place full bags or garbage cans at the curb for Wednesday morning pickup.

We ask for your support by not raking the leaves into the street, and when possible, to rake the leaves out of the gutters as you're cleaning your yard.

RESIDENTS WITH LAWN SERVICE:

Please make sure your landscaping company does NOT blow the leaves into the street.

Please advise your landscaper to place leaves in a garbage can with a Compost Sticker (available at the Village Office free of charge) affixed to the can or to bag the leaves in paper yard waste bags.

Code Enforcement:

**Really means being
A good neighbor**

- Please clean up your property, cut your grass and be a good neighbor!
- Overgrown brush/weeds and tall grass are subject to code enforcement.

Projects and improvement's

Water Main Improvement

In early August Benchmark Construction Co. undertook the job of replacing over 300 feet of failing 6 inch cast iron water main. This took place between the dead ends of Clinton Ave and Kenilworth Ave. It was replaced with 8 inch High Density Polyethylene (HDPE) pipe.

Tree trimming

Bluder tree service has been trimming locust trees throughout the summer, they will be going throughout the rest of the town later this fall to do a heavy trim on all remaining parkway trees. This allows for trees to be properly pruned and trimmed. **DO NOT BE ALARMED**, While the trees may look bare, proper trimming helps trees grow back in a healthy growth pattern. We will be providing a heavy trim making sure all the branches are 13-15 feet above the curb, 8 feet over the sidewalk and all crossing branches are removed. This includes any dead branches, branches touching your roof, and branches that are rubbing against one another causing an open wound with infection to possibly set in and killing a portion of the tree.

Tree Planting

Scheduled for the spring of 2023, Forest View is partnering with Openlands to provide **FREE** parkway tree planting to our residents. You can find more information in this Fall newsletter with an easy QR code attached.

Sidewalk Square Replacement

Starting September 6th, Andreas Concrete co. Will be out replacing 105 sidewalk squares that fell within the 1.5" trip and fall parameters.

THE VILLAGE OF FOREST VIEW ANNOUNCES TREE REPLACEMENT PROGRAM
Village receives grant from Openlands to provide new trees to the community

The Village of Forest View is proud to announce that we have received a grant from Openlands, one of the oldest metropolitan conservation organizations in the nation. This is the first year we have applied for and received this grant.

This new village-wide program is intended to provide quality shade trees to residents within the village to be planted within the rights-of-way along the streets and corridors throughout the village. The trees are intended to provide:

Increased Property Values

Reduced Stress

Shade

Pollution Control

Reduction of Water Runoff

Wildlife Renewal

We encourage citizen participation in community reforestation and beautification. **The program is available to all homeowners; who are expected to assist in initial planting and care for the tree for 3 years.** Trees will be placed along the frontage of the property (parkway), exact location to be determined based on space. Since grant funds are limited, **applications shall be granted based on the order in which they are received, all trees are native to Illinois and will be chosen by Openlands.**

The Department of Public Works manages the program, but the Openlands Forestry Crew and certified Tree Keepers will plant the trees in the spring. **For questions about the program, please call (708) 714-7846, or email ffilec@forestview-il.org**

TREE REPLACEMENT PROGRAM APPLICATION

The Village is gathering names and addresses for our new Tree Replacement Program! The Village is proud to partner with OpenLands to offer at **NO COST** a tree planting program. If you are the property owner and interested, scan the QR code to complete survey or, please complete the following information and mail or drop off by **Wednesday, February 1st** to: **Forest View Town Hall, 7000 W. 46TH Street, Forest View, IL 60402**

Stickney Township Office on Aging

Stickney Township Office on Aging serves as the designated Aging and Disability Resource Center for those living within Stickney Township. Help is available to those wanting assistance with benefit eligibility and application assistance for various benefit programs. Stickney Township Office on Aging staff have the resources to assist and connect you to all of the services you may need to address your financial and emotional well-being. For assistance or further information please contact Stickney Township at 708-636-8850.

BUILDING PERMITS

Always call the village office to verify if a permit is required before any construction is started to avoid fines.

Forest View had its first employee bar-b-que on Friday August 19th. The Village Administration wanted to show its appreciation to all our hard-working employees. All the departments are excelling in performance and we thought an outdoor cookout would be fun. Tim Kutt, Forest View's Public Works Consultant did the grilling/cooking. Everything was delicious especially his bar-b-que boneless pork chops. Gordan Ramsay & Emeril Lagasse are amateurs compared to Tim. I give Tim a 3-star Michelin award for his tasty cuisine and culinary skills.

Remember When.....

Some of our long-time residents may have heard Forest View referred to as, "Cinderella Village".

But do you know why? Thanks to Laura McGuffey, our Village Clerk/Treasurer, you can read all about it.

As some of you know, Laura's grandfather, Frank L. Luznicky, was Forest View's 6th Village President since its inception in 1924. He served as President from 1943 to 1957. Laura's grandmother, Elizabeth, started a scrapbook in Jan. 1953. This is from that scrapbook as well as the other page.

Oct 17 - 1953

'CINDERELLA' VILLAGE TO HOLD PARTY

Forest View officials, elated over the good fortune of the village when it had a \$10,000,000 assessed valuation "dumped in its lap" recently through annexation, Saturday night will hold a party for all residents of the village of some 325 persons as the start of a "Good Neighbor Week" proclaimed by Village President Frank Luznicky at the board meeting Monday night.

The party, scheduled to get under way at 8 o'clock at the village hall, 46th st. and Home ave., will be of a non-political nature and will include dancing and refreshments.

Of particular interest will be the welcoming of some 45 new residents to the village in the last couple of years to give the affair a personal touch. Residents of the annexed portion will get an especially hearty greeting.

Village officials who are giving the party, confined to Forest View residents, include President Luznicky, Trustees Clarence Hol-

ec, Chester Ziarko, Joseph Vana, Charles Stasek, Frank Pukys and Joseph Yurka and Village Clerk Gordon Hart.

FOREST VIEW IS 'CINDERELLA' IN ANNEXING PLAN

Village Is Now One
Of Wealthiest Suburbs
With 10 Million 'Legacy'

Like someone who has been left a big inheritance by an obscure relative, Forest View this week still is trying to believe that a \$10,000,000 tax assessment wind-fall really happened, even though the village board Monday night voted unanimously to approve the annexation of an area south of the Chicago Sanitary Canal which had been bestowed upon them without effort.

The Cinderella-like community found its "pumpkin-papery legacy coach" drawn by Douglas Wells, Clearing Industrial District vice president, who explained the situation at the "grand ball" to the trustees and an average attendance at the board meeting.

There was a delay while the whole matter was explained to the trustees and the audience, while the effects of the annexation were explained, and then came the vote which was a foregone conclusion ever since news of proposal leaked out and ran like wild fire through the estimated 320 present village residents of what is now one of the wealthiest communities for its population in the country with a \$50,000,000 assessment base.

Legal preliminaries were cleared in Cook County Court last Friday when Judge Edmund K. Jarcecki signed and entered the order of the town of Stickney petitioners asking that the area be annexed to the village of Forest View.

These preliminaries had been held up for a week at the request of the Chicago Sanitary District and a representative of a trucking firm, about to construct a canal, facilities and who had been afraid that a change of political allegiance might result in re-zoning of the property.

When these objectors withdrew last Friday morning, the order was entered without more than a formal signature in court action that lasted but a few minutes.

Forest View officials were notified Monday of the official court action and the board of trustees, meeting Monday night, approved the annexation under the powers granted them in the 1942 state legislative session, which approved statutory changes in the law providing that village boards by a three-fourths vote could vote such action.

However, the confirmation of the court action doesn't become final for 30 days, a period allowed under the law to permit the filing of a referendum petition of 10 per cent of the voters which could bring the matter before the village electorate.

With the increased tax base without hardly any increase in

costs assuring the spread of taxes over the wider assessment base and a reduction of levies on village property owner, there is little likelihood of a referendum, according to Gordon Hart, 4544 Kenilworth ave., the village clerk.

Only hesitation at Monday night's board meeting about immediate passage of the annexation ordinance was to permit full explanation of the matter to the trustees and villagers in an effort to prove the village wasn't getting a "pig in a poke."

The audience was assured by Wells that the 21 industrial organizations maintained their own private roads and a nine-man police force, while fire-fighting facilities in the plants are supplemented by an agreement with nearby Bedford Park.

The plan for annexing the valuable industrial area to the village of Forest View was carried out with a minimum of publicity, which normally might have attended a transfer of political sovereignty from an unincorporated to an incorporated municipality.

Village officials were not contacted after the preliminary inquiries made of Village President Frank L. Luznicky, 4527 Maple ave., when the annexation plan was first instituted, a check disclosed. Luznicky was not clear as to the exact boundaries of the proposed annexed area until it was published in The LIFE Newspapers, he said.

The annexation proposal was considered an attempt by the industries, which are part of the Clearing Industrial District, to forestall an effort by the city of Chicago to acquire the \$10,000,000 assessed valuation and bring the territory within the Chicago corporate limits which the area abuts on its southern boundary.

Forest view, one of the smallest of the western suburbs with a 1950 population of 296, had kept up a proportionate population increase with other adjoining suburbs with nearly a 50 per cent boost from its 208 population figure of 1940.

But its greatest gain has come through the location of industry

and oil company distribution facilities within its borders.

Its \$40,000,000 present assessed valuation will get a \$10,000,000 "shot in the arm" which places Forest View a one of the wealthiest suburbs for its population in the entire country.

Coupled with the valuation increase is the advantage the village stands to gain because the annexed area will present few of the problems that a similar growth elsewhere might cause.

The "residential area" of the annexed portion is confined to two homes, eliminating the necessity of building and maintaining schools, water lines, garbage collection, and other expenses which normally confront the local municipalities.

Most of the industries in the annexed portion are understood to maintain roads into their property and also to have installed the necessary public services which a municipality might otherwise provide if the area was completely platted.

The effect of the annexation will be watched with considerable interest by the village residents and neighboring communities. With a 25 per cent increase in valuation and hardly any additional expense anticipated, it is considered likely that a 20 per cent reduction of village taxes might ensue if spending is continued at the same pace.

Under the annexation proposal, the following area, all of which is within the Stickney township limits, is included:

Starting at Harlem ave. and W. 52nd st., northeasterly along the Gulf, Mobile & Ohio right-of-way to W. 51st st. where it intersects with Sayre ave. (extension of Home ave. south of the canal), then east on 51st st. to Central ave., north on Central ave. to 47th st., east on 47th st. to Laramie ave., north on Laramie ave. to 43rd st., then west on 43rd st. to the center of the ship canal, southwesterly along the ship canal to Ridgeland ave., then north to the north bank of the canal, and then turning southwesterly along the north bank of the canal to Harlem ave., and south on Harlem ave. to the place of beginning.

Laugh Out Loud

How do you tell the gender of an ant?

Put it in a glass of water. If it sinks it's a girl ant. If it floats it's buoyant.

What's the difference between in-laws and outlaws?

Outlaws are wanted.

What kind of bow can't be tied?

A rainbow

What is Forrest Gump's email password?

1forrest1

What kind of bear has no teeth?

A gummy bear.

A huge Thank You to Boy Scout Troop 1439. Forest View Fire Chief Mark Jones presented a Certificate of Recognition to Boy Scouts from Troop 1439 for their Eagle Scout project that produced two drying racks for village firefighters. The racks help firefighters dry out their fire gear after it has been washed. If purchased, these racks would cost thousands of dollars. Without the help of drying racks, it could take a couple of days to fully dry the gear.

988 Suicide Prevention Lifeline to Strengthen Mental Health Support Across Illinois.

American Rescue Plan Funding Will Support State Efforts to Transform Suicide and Mental Health Crisis Care in Illinois CHICAGO –The Illinois Department of Human Services' (IDHS) Division of Mental Health, in coordination with the federal Substance Abuse and Mental Health Services Administration (SAMHSA), is expanding Illinois' mental health safety net by rolling out **988**, a new, nationwide suicide prevention and mental health crisis line. The code will be available nationally beginning July 16, 2022. The National Suicide Prevention Lifeline, which has existed since 2005, is now available nationwide via a three-digit dialing code – **988** – making it easier for those in crisis to get the help they need. Converting to this easy-to-remember number offers the public increased access to potentially lifesaving, trained crisis counselors. State and federal funding have made it possible to increase staffing at Illinois' six existing 988 call centers to ensure that calls are answered in-state. The many incredible counselors answering the call to serve those in crisis, the expanded **988** Lifeline number will help save many lives. To any Illinois resident who might be struggling, know that you are not alone. We are here to support you. You can receive help by **dialing or texting 988**. The 988 call and text line is a crucial first step toward ensuring SAMSHA's three-part aspiration for our country: that over time, all Americans experiencing mental health crises have someone to call, someone to respond, and somewhere to go. The new code is a first step toward transforming crisis care in America, a universal entry point to needed crisis services in line with access to other emergency medical services

People in mental health crisis or emotional distress can **call or text 988** to reach the National Suicide Prevention Lifeline 1-800-273-TALK (8255). Those who are not in crisis but who are seeking treatment options for mental health conditions can visit 988hotline.illinois.gov or call 1-800-662-HELP (4357).

I want to receive the following vaccination(s): _____

SECTION B The following questions will help us determine your eligibility to be vaccinated today.

All vaccines

1. Do you feel sick today? Yes No Don't know
2. Do you have any health conditions, such as heart disease, diabetes or asthma? Yes No Don't know
If yes, please list: _____
3. Do you have allergies to latex, medications, food or vaccines (examples: eggs, bovine protein, gelatin, gentamicin, polymyxin, neomycin, phenol, yeast or thimerosal)? Yes No Don't know
If yes, please list: _____
4. Have you ever had a reaction after receiving a vaccination, including fainting or feeling dizzy? Yes No Don't know
5. Have you ever had a seizure disorder for which you are on seizure medication(s), a brain disorder, Guillain-Barré syndrome (a condition that causes paralysis) or other nervous system problem? Yes No Don't know
6. **For women:** Are you pregnant or considering becoming pregnant in the next month? Yes No Don't know

For chickenpox, MMR[®] II, shingles, yellow fever only:

Only answer these questions if you are receiving any vaccinations listed above.

7. Have you received any vaccinations or skin tests in the past four to eight weeks? Yes No Don't know
If yes, please list: _____
8. Do you have a condition that may weaken your immune system (e.g., cancer, leukemia, lymphoma, HIV/AIDS, transplant)? Yes No Don't know
9. Are you currently on home infusions, weekly injections such as Humira[®] (adalimumab), Remicade[®] (infliximab) or Enbrel[®] (etanercept), high-dose methotrexate, azathioprine or 6-mercaptopurine, antivirals, anticancer drugs or radiation treatments? Yes No Don't know
10. Are you currently taking high-dose steroid therapy (prednisone > 20mg/day or equivalent) for longer than 2 weeks? Yes No Don't know
11. Have you received a transfusion of blood or blood products or been given a medication called immune (gamma) globulin in the past year? Yes No Don't know
12. Do you have a history of thymus disease (including myasthenia gravis, DiGeorge syndrome or thymoma), or had your thymus removed? (yellow fever only) Yes No Don't know
13. Do you have a history of thrombocytopenia or thrombocytopenia purpura? (MMR[®] II only) Yes No Don't know

SECTION C

I certify that I am: (a) the patient and at least 18 years of age; (b) the parent or legal guardian of the minor patient; or (c) the legal guardian of the patient. Further, I hereby give my consent to Walgreens or Duane Reade and the licensed healthcare professional administering the vaccine, as applicable (each an "applicable Provider"), to administer the vaccine(s) I have requested above. I understand that it is not possible to predict all possible side effects or complications associated with receiving vaccine(s). I understand the risks and benefits associated with the above vaccine(s) and have received, read and/or had explained to me the Vaccine Information Statements on the vaccine(s) I have elected to receive. I also acknowledge that I have had a chance to ask questions and that such questions were answered to my satisfaction. Further, I acknowledge that I have been advised to remain near the vaccination location for observation for approximately 15 minutes after administration. On behalf of myself, my heirs and personal representatives, I hereby release and hold harmless each applicable Provider, its staff, agents, successors, divisions, affiliates, subsidiaries, officers, directors, contractors and employees from any and all liabilities or claims whether known or unknown arising out of, in connection with, or in any way related to the administration of the vaccine(s) listed above. I acknowledge that: (a) I understand the purposes/benefits of my state's vaccination registry ("State Registry") and my state's health information exchange ("State HIE"); and (b) the applicable Provider may disclose my vaccination information to the State Registry, to the State HIE, or through the State HIE to the State Registry, for purposes of public health reporting, or to my healthcare providers enrolled in the State Registry and/or State HIE for purposes of care coordination. I acknowledge that, depending upon my state's law, I may prevent, by using a state-approved opt-out form or, as permitted by my state law, an opt-out form ("Opt-Out Form") furnished by the applicable Provider: (a) the disclosure of my vaccination information by the applicable Provider to the State HIE and/or State Registry; or (b) the State HIE and/or State Registry from sharing my vaccination information with any of my other healthcare providers enrolled in the State Registry and/or State HIE. The applicable Provider will, if my state permits, provide me with an Opt-Out Form. I understand that, depending on my state's law, I may need to specifically consent, and, to the extent required by my state's law, by signing below, I hereby do consent to the applicable Provider reporting my vaccination information to the State HIE, or through the State HIE and/or State Registry to the entities and for the purposes described in this Informed Consent form. Unless I provide the applicable Provider with a signed Opt-Out Form, I understand that my consent will remain in effect until I withdraw my permission and that I may withdraw my consent by providing a completed Opt-Out Form to the applicable Provider and/or my State HIE, as applicable. I understand that even if I do not consent or if I withdraw my consent, my state's laws may permit certain disclosures of my vaccination information to or through the State HIE as required or permitted by law. I also authorize the applicable Provider to disclose my, or my child's (or unemancipated minor for whom I am authorized to act as guardian or in loco parentis), proof of vaccination to the school where I am, or my child (or unemancipated minor for whom I am authorized to act as guardian or in loco parentis) is, a student or prospective student. I further authorize the applicable Provider to: (a) release my medical or other information, including my communicable disease (including HIV), mental health and drug/alcohol abuse information, to, or through, the State HIE to my healthcare professionals, Medicare, Medicaid, or other third-party payer as necessary to effectuate care or payment; (b) submit a claim to my insurer for the above requested items and services; and (c) request payment of authorized benefits be made on my behalf to the applicable Provider with respect to the above requested items and services. I further agree to be fully financially responsible for any cost-sharing amounts, including copays, coinsurance and deductibles, for the requested items and services, as well as for any requested items and services not covered by my insurance benefits. I understand that any payment for which I am financially responsible is due at the time of service or, if the applicable Provider invoices me after the time of service, upon receipt of such invoice.

Patient signature: _____ Date: _____

(Parent or guardian, if minor)

SECTION D**INSURANCE – PATIENT TO COMPLETE IF APPLICABLE**

Please ensure to record BOTH pharmacy AND medical insurance information since there are multiple ways immunizations can be billed at Walgreens.

VILLAGE OF FOREST VIEW

Monday, OCTOBER 31, 2022

Recommended Trick-Or-Treat Hours:

3:00 P.M. – ending at 7:30 P.M.

HALLOWEEN SAFETY TIPS

- Always use common sense
- Young children should always trick-or-treat with an adult
- Never trick-or-treat alone
- Plan your entire route and make sure your family knows what it is
- Wear a flame-retardant costume
- Have your parents check your candy before you eat it
- Be careful of strangers
- Accept treats only in the doorway, NEVER go inside the house
- Don't play near lit jack-o-lanterns
- Visit only houses where lights are on
- Walk on sidewalks
- Cross the street at the corner or crosswalk
- LOOK both ways before crossing the street
- Carry a flashlight

Do not hesitate to contact the Police Department at 708-788-0318 or if emergency dial 9-1-1, of any suspicious activity.

LIMITED SNOW REMOVAL REQUEST

The Village Board has approved limited snow removal service for those residents who are medically unable to shovel snow.

| | |
|-------------------|--------------|
| PRINT NAME | PHONE |
|-------------------|--------------|

ADDRESS

I hereby formally request the Village of Forest View provide limited snow removal service at the above address.

REQUIREMENT: If you are 67+ and live alone, or married couple who are both 67+ with no additional help, then the village will help with snow removal. If under 67 and help is asked for, we will determine on a case to case basis.

DESCRIPTION:

1. After 2" of snow or more, to be started after the streets have been cleared.
2. Removal of the driveway snow mound barrier located at curb line.
3. Removal of snow from the service walkway & stairs leading to the front door (width of one snow shovel).

"Limited Snow Removal Request" Form must be filled out and returned to Village to absolve the Village of any damages incurred.

WAIVER

I completely and unconditionally absolve the Village of Forest View of any parkway and property damage or personal injury which may result from the above snow removal operation.
